Performance Textures VII

Performance Upholstery

The seventh installment of Performance Textures features two richly textured patterns, Darien and Rhinebeck, woven with over 50% recycled fiber content and luxurious bouclé yarns. Both offer multicolored palettes for versatile coordination, while their tactile surfaces add depth and dimension. Treated with FibreGuard, the patterns also provide enhanced cleanability and lasting performance.

Performance Velvets

Vol. VI | Upholstery

Harrington is densely woven chenille velvet-like textured solid that has a beautiful appearance and superb hand feel. Its refined linear weave structure creates subtle tactile movement and visual surface dimension. This pattern has been treated with Maxguard for enhanced cleanability and lasting performance.
