

Sweet Tea

Inspired by the coastal South, we conjure a preppy vibe for the Summer collection. Colorful performance patterns from fresh stripes and chair-scale designs are shown alongside sumptuous velvets, while a range of faux leathers continues the classic feel with hides and exotic skins. Natural-blend drapery constructions complete the breezy mood this season.

PERFORMANCE WOVENS VOL.VI PEACHTREE

Peachtree combines hues of Georgia peach, limoncello and jammy shades of raspberry coulis and gojiberry with fresh palmetto green, vibrant aqua and heron blue.

PERFORMANCE WOVENS VOL.VI PAMPAS

Pampas is a softly moody neutral compilation, bringing together pale gold-en pampas, tones of tobacco brown and stormy grey alongside high-contrast black and white.

Performance Wovens is the ultimate series for high-performance decorative upholstery. Exclusive, fashion-forward feature designs coordinate with and complement a range of small-scale patterns, textures and solids. Our Volume Six introduction is a true all-in-one, with 23 inherently easy-clean, InsideOut fabrics woven in the US, styled by color over two books. All patterns exceed 60,000 double rubs Wyzenbeek as well as meeting all other ACT standards. Additionally, these InsideOut constructions are fade-resistant, making them perfect for high-sun exposure indoor settings or indoor-outdoor living.

PERFORMANCE VELVETS VOL. IV

Our best-selling cleanable velvet series continues with the introduction of Performance Velvets 4. Stocked with FibreGuard easy clean technology, spills and soiling are easily removed using a clean cloth, water and mild soap if needed. A saturated colorline features moody balsam greens, deep gold, sapphire and ruby. Both patterns exceed 100,000 double rubs Wyzenbeek as well as meeting all other ACT standards. Volterra is a sumptuous stria that mimics the look of a cotton velvet, with all the high performance you expect from FibreGuard. Calabria is a plush, chenille velvet with a dry finish. Single tone in some colorways and showing sophisticated variation in others, this is a must-have.

PURE & SIMPLE XV

The fifteenth installment in our Pure & Simple line of drapery solids and textures introduces two new natural-blend constructions. Mandurah is a classic linen-blend with a beautiful drape, and Daintree is a slubbed, textural mid-weight construction with a raw silk effect. The palette is versatile, with a broad range of neutrals and pops of fresh color.

EASY RIDER VIII

The latest Easy Rider faux leather grouping is as classic as it gets, with distressed top-grain leather looks alongside crocodile, alligator, ostrich and snake looks. Basketweave effects add even more depth to the rich, patinaed palette of caramel, cognac and coffee which is accented with glints of metallic and gemstone hues. The constructions in Easy Rider VIII are either PVC or polyurethane, and all are highly durable and cleanable.
